Shoebox Print Scanning Rapid scanning with great results. Auto corrected and straightened. Perfect for capturing all your photos for digital archiving, dvd's, small prints, and photo books.

	50-100	101-250	251-500	501-1000	1000+
300dpi	.49	.42	.35	.25	.19
600dpi	.79	.72	.55	.45	.39

Price based on loose photos in groups. Additional services include handling photos in albums, producing contact sheets, individual image corrections, & archival storage
Please allow 2-4 days, depending on scan quality and quantity

retouching & photo editing

Retouching High quality retouching, restoration and image color corrections. Time estimates will be provided prior to commencement of work.

per 1/4 hour (min)	26.00
per hour	85.00

Common Photo Enhancements & Edits

Photo Restoration: Repair faded lines, enhance color, hue and saturation, remove tears, stains, holes, and general image clean-up. \$52.00 - 85.00

Photo Coloring: "hand-colored" according to your guidelines. \$26.00 - \$52.00

Image Modification: Combine subjects from different images, remove or replace jewelry, braces, people, background objects or other distractions. \$26.00 - \$130.00
Please allow 1-3 days, depending on level of retouching

digital archiving

Archiving Images The best archiving practice is the combination of digital file storage (on & off site) and hard-copy prints stored in archival enclosures. More info is available.
